# Our Collection

We started out with just this little box of books in the township hall. Now we have a room full of resources concentrating on Iosco County and the surrounding counties of Alcona, Ogemaw and Arenac.

# Accomplishments

- Our Society has digitized The Tawas Herald and it is available to all everywhere at [https://www.ioscoarenaclibrary.org/HSGS/Tawas\\_Herald\\_1884-1952/](https://www.ioscoarenaclibrary.org/HSGS/Tawas_Herald_1884-1952/) on the Iosco Arenac District Library site. 1953-1981 has been sent to the digitizers.
- Our Society scanned the Ard G. Emery glass negative collection at the Iosco County Historical Museum. These glass negatives were the source for our book: *Iosco County: the Photography of Ard G. Emery, 1892-1904* published in 2015.

- Our Society has a growing collection of records for Losco County as well as surrounding counties, and Canada.
- We have 1000+ indexes and over 1 million names to many local resources, most are available through our website.
- We provide numerous educational programs and cemetery walks each year.
- The GenoGram is our quarterly newsletter.
